SOLDIERS' RELIEF. Mr. Beats, from the Committee for the Re liefcof the Families of Volunteers, submitted report, in which the Committee say:

They have found that in most of the case where volunteers have left families, they ar in very destitute circumstances, and in man without any visible means of support. Age mothers, wives and children are in nu merous instances calling for relief. Your committee have been careful not to encourage extravagant expectations, and hav all cases exported the beneficiaries to industry and prudence in their expenditure The bigbest amount allowed to any family as yet is eight dollars per month, many not over four or five, to be in cash, with the full under standing that they are not to receive any mo ntil another month. The amount already ex pended appears in the report of the City Treas urer, and need not be reported here. The amou per month may, and probably will be, somewha increased hereafter. As the hot weather will induce more or less sickness among the poor and hadly housed, among whom most of these families may be classed your Committee would close their report by offering the following re

Hospital of the Fifth Regiment, at Camp Dennion, under the care of Surgeons BALL and GREERLEAF, the Cincinnati Comercial says:

It is far removed from the noise and bustle of the Camp, and is in all respects well appointed and a model of neatness. It will afford satisfaction to the friends of sick soldiers to know that they could not be more pleasantly situated or better cared for. Sister Anthony and a number of Sisters of Charity are acting as nurses, and do much of the cooking for the sick, who are thus supplied with palatable food preses, and do much of the cooking for the sick, who are thus supplied with palatable food pre-pared in the very best manner, by those whose lives are devoted to such labor. The services of these good women cannot be estimated. The tre the Florence Nightingales of America.

CAMP JACKSON .- There is now only one Comany (Capt. Walcorr's) remaining in Goodale Park. All the other troops have gone in quarters in the new Camp on the National Road, four miles west of the city. The guard at the gate at the old camp ground has been dispensed with, and the Park looks quite desert-ed and lonely. In the course of a few days, it will be entirely evacuated;

The cannon has been removed to the new Camp so that the half-hour guns, in token of respec or the memory of Senator Douglas, will be fired to day at that place.

PROF. WOOD'S

BLOOD RENOVATOR

Is precisely what its name indicates, for, while pleasant to the tate, it is revivifying, exhitarating, invigorating and strengthening to the vital powers, and at the same time revivines rein attacs, and renews the Blood in all its purity and that at once restores and renders the system in valuerable to attacks of disease. It is the only preparation ever offered to the world, so chemically and stillfully combined as to be the most perfectly adapted to, as to act in perfect accordance with the away of nature, and hence will soother the weakest stomach, and tone up the digrative organs, and thus alsy all nervous and other tritation. It is perfectly exhibitarating, and at the same time it is composed entirely of vegetables, yet so combined as to produce the most through twice combined as to produce the most through twice or combined. per ectly exhibitating, and at the same time it is somposed extinctly of vegetables, yet so combined as to produce the most thorough tonic effect, without producing any injurious consequences. Such a remedy has long been felt to be a desideratom to be medical world, for it needs no medical swiit to see that debitty follows all attacks of disease, and proceeds and indeed lays the system open to the iosidious attacks of many of the most fatal, such, for example, as the following: Consumption, indigestion, Dysepsia, Loss of Appetite, Faintness, Nervous Irritability, Neuralgia, Falpitation of the Heart, Melancholy, Night Sweats, Languor, Giddiness, Hetention of, as well as Palpit obstructed too profuse, or too scant Menstruation, and Falling of the Womb. These all depending on general debility. This pure, healthy, tonic Cordial and sloed Renovator is as sure to care as the sun to rise and set. There is no mistake about it. But his is not all. If the system is weakened, we are the property of the women to be a seal of the seal of the property of the women to be a seal of the system is weakened, we are the property of the sure to be a seal of the system is weakened. rice and set. There is no mistake about it. But his is not all. If the system is weakened, we are pen to billous stracks, the liver becomes torpid, or worse diseased, the kidneys refuse to perform their functions, and we are troubled with scalding and incontinence of urine, or involuntary discharge of the same, pain is the back, side and between the shoulders, exceedingly liable to alight colds, coughs, and if unchecked, soon emaciation follows, and the patient goes down to a premature grave. But space will not allow us to enumerate the many lils to which we are liable in a weakened condition of the system. But we will say, in this Cordial and Blood Renovator you have a perfect, safe, pleasant and effectual remedy for loss of Appetite, Rillousness, Flatulence, weak and sick stomach, Languor, Liver Complaint. Chilis and Fever, or any Billous attack, Costiveness, Acidity of the Stomach, Nervousness, Neuralgia, Palpitation of the Heart, resion of Spirits, Sores, Pimples on the Face, or any disasae arising from impure blood, such as Scrofula, Erysipelas, Brom hits, Cough, difficulty of Breathing, and all that belass of diseases called female weakeness, and coumerated above. We will also say the traveler exposed to epidemics, change of climate and waiter, will find if pleasant, sale and sure remedy, and none shoul ever travel without. Reader try it, for we assure you you will find in it a triend indeed, as well as a friend in need. All persons of sedentary habits will find it a perfect preventive of as well as cure for those aliments to which they are particularly exposed. Hence ministers, students, at torneys, literary gradlemen, and ladies who are not accustomed to much outdoor exercise, will find it to their advantage to keep a bottle constantly on hand; and, above all, mothers, or chase becoming such, will go through that most dangerous period net only with all their accustomed strength, but safe and free from the thousand atimens as pervalent among the female portion of the world.
